

Green Earth Lander instructions

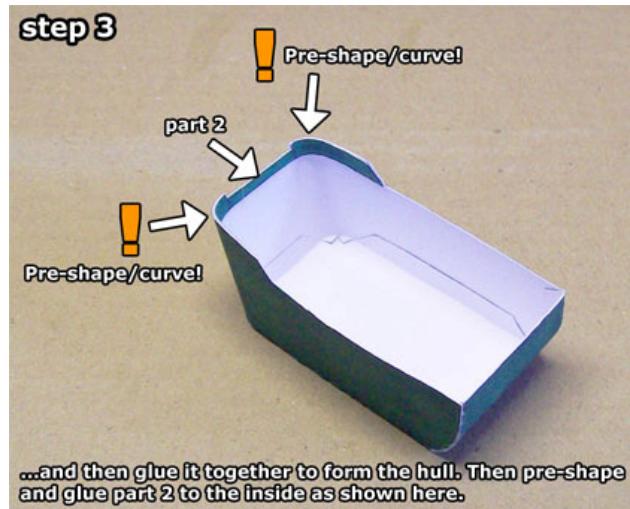

step 1

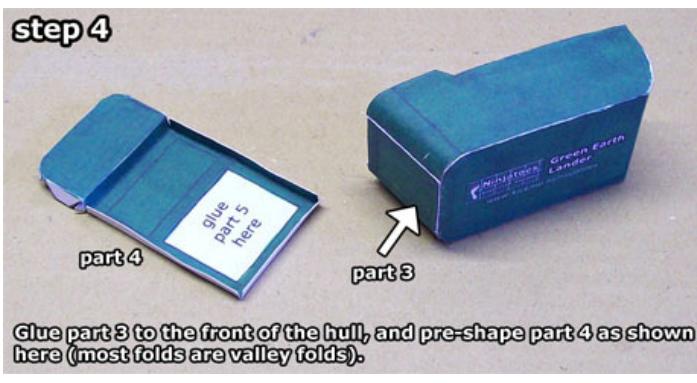

step 2

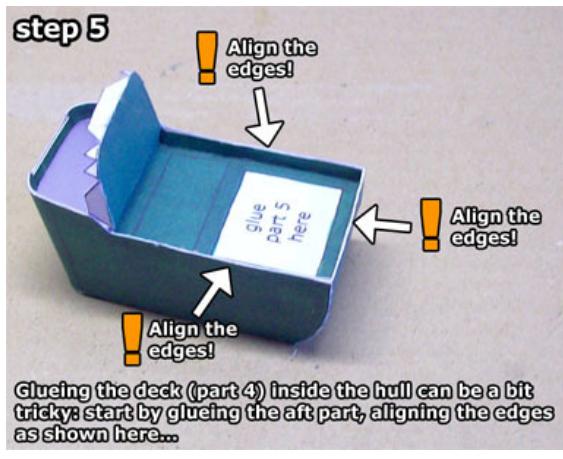

step 3

step 4

step 5

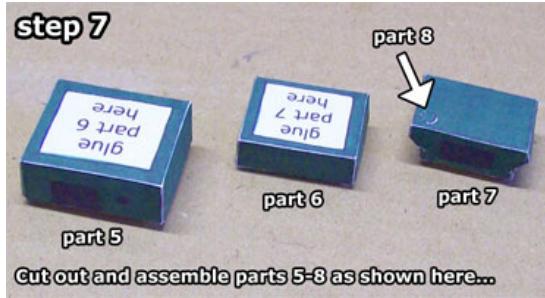

step 6

...and then fold down and glue on the front part of the deck (part 4), aligning it with the bottom of part 2.

step 7

part 5

part 6

part 7

Cut out and assemble parts 5-8 as shown here...

step 8

Green Earth
Lander

...and then glue them to the rest of the lander as indicated.

Thank you for building a Ninjatoes' papercraft model!
